

### REMARKS

The Examiner has stated that Claims 1-28 are allowed and that the application is in condition for allowance except for an objection to the drawings. In response to the objection, Applicants have submitted a new Figure, FIG. 10 that clearly shows the "ruler", "light", "calculator" and "cut-outs" as requested by the Examiner.

The Examiner has stated that the "clip" in claim 17 is not depicted in the drawings. Applicant respectfully disagrees and submits that an exemplary embodiment of the "clip" recited in Claim 17 is depicted in FIG 9 and labeled "clip 910."

Applicant believes that the application is now in condition for allowance.

No new matter has been entered and no additional fees are believed to be required. However, if any fees are due with respect to this Amendment, please charge them to Deposit Account No. 06-1130 maintained by Applicants' attorneys.

Respectfully submitted,

CANTOR COLBURN LLP
